Dear Ms NIILELE

PROVISIONAL ADMISSION STATUS:CERTIFICATE IN HIV/AIDS AND COUNSELLING

We are pleased to inform you that you have been granted **PROVISIONAL ADMISSION** to the above course of study for the 2018 academic year at your nearest UNAM Campus: OSHAKATI CAMPUS. Please quote your **student number** (201071223) in all correspondences with the University.

Full admission will only be granted at registration, provided that your final results meet the minimum admission requirements as well as Faculty specific requirements. In addition, you will also be required to present your original documents with certified copies at the registration. Students that will register for Diploma in Management and Leadership should bring along proof of three (3) years teaching experience. Whilst those that will register for the Diploma in Secondary Education (Professional Training) should note that they might register for additional school subjects together with the programme modules. Please note that the Diploma in Secondary Education will only be offered on-line as from the 2018 academic year. Students that have applied for these two programmes should register on 24 January 2018 at their nearest Campus, whilst Windhoek based students will register at the Khomasdal Campus.

You are invited to familiarise yourself with the specific Faculty Prospectus, that is downloadable from our website, particularly on the University's evaluation scale and admission requirements for your course of study before registration. If it becomes clear that a student follows a study programme and/or a module for which s/he does not qualify, the student's participation in such a study programme and/or module will be terminated with immediate effect and all the modules passed will be declared null and void.

Kindly present this letter during registration, as proof of Provisional Admission. You are requested to register on the day as indicated on the enclosed notice, for your respective Faculty. Failure to register on the day as indicated may result in forfeiting your place in the Faculty.

If you are a bursary / loan holder, please provide written proof of a bursary / loan awarded to you during registration. Also, if you have applied for campus accommodation, kindly follow this link:

www.unam.edu.na/ods/accomodation

Note: Your compulsory minimum registration, tuition and hostel fees (where applicable) must be paid into the University's bank account at least seven days prior to registration – see notice enclosed. To register, you are advised to bring along proof of payment.

We look forward to welcoming you at the University of Namibia and wish you success in your studies.

Yours sincerely,

MS AGNES FELIX
ADMINISTRATIVE COORDINATOR: CODEL, OSHAKATI CAMPUS

MS WELMA DAVIES
ADMINISTRATIVE COORDINATOR: CODEL, WINDHOEK CAMPUS
